

Business Anniversary Recognition Program

The Village of Middlefield has developed an Anniversary Recognition program to distinguish and recognize local businesses for reaching anniversary milestones. Age symbolizes strength and security, and that is especially true in today's economy. Celebrating an anniversary will boost employee morale, provide free PR, and hopefully generate future business opportunities.

Businesses celebrating an anniversary may apply for recognition at five (5) year increments (i.e. 5, 10, 15, 20, etc.) To participate in this program, please complete the application form, or download a fillable form online at www.middlefieldmeansbusiness.com and submit to lgambosi@middlefieldohio.com. The form must be completed and submitted within the anniversary year. The business will receive a proclamation recognizing its business anniversary at a regular Village Council Meeting. It is recommended that businesses also issue their own press release regarding their anniversary for additional recognition.
